Distribution of Scholarships

Kindly note, all scholarship decisions are made solely by the CHF based on the funds available to the CHF.

Scholarship funds are limited and not everyone who is eligible for a scholarship may receive one in any given year. If in any given year, there are insufficient funds to provide scholarships to every eligible candidate, scholarship decisions will be based on the greatest need among eligible candidates as determined solely by the CHF.

It is the responsibility of the CHF Scholarship Committee to review all submitted applications. The Scholarship Committee is comprised of members of the CHF, and individuals knowledgeable in youth education. Based on its review, the Scholarship Committee will provide funding recommendations to the CHF's board of directors (the "Board") based upon the following factors:

1. Financial need. Preference will be given to candidates for whom the awarding of a scholarship would increase the likelihood of the applicant being able to attend a post secondary institution;
2. Likelihood applicant will successfully complete their academic program; and
3. Past scholastic achievement.

Final decisions with respect to funding are made by the Board upon the recommendation of the Scholarship Committee. These decisions are final.
